If you had to eat one meal, every day for the rest of your life, what would it be? Chocolate covered strawberries – lol—This is a tough question... but probably a steak salad...

What are some things on your bucket list? Learn a new language, travel (especially to the countries of my ancestors), be part of something amazing.... Leave a legacy

Anything else you would like to add?

Some people are smarter than you.

Some people have cooler things than you.

IT DOESN'T MATTER.

You have YOUR thing too.

Be the person who can get along.
