

Monthly MMERC NEWS

April 2025

A note from Angie:

As we welcome the month of April, I am delighted to share with you the latest updates and highlights from our MMERC community. This month brings with it a sense of renewal and growth, and we are excited to continue our journey of learning and development with your children.

Leave us your feedback!

Angie

Educational Resources

Autism Spectrum Disorder in the Inclusive Classroom: How to Reach & Teach Students with ASD (Gr 3-5)
Barbara Boroson

Call #: 49.0000/23095

Sublocation: SEL (Social Emotional Learning)

Local copies available: 1 of 1. There are no off-site copies of this title. [See all...](#)

TEd. 4 books. An engaging, informative book for the general educator that provides both the knowledge you need to understand students with Autism Spectrum Disorder (ASD) and the strategies you need to help them learn. Plus, three Grades 3-5 hand-picked books (Wilma Unlimited, Joey Pigza Swallowed the Key, Loser) that celebrate differences or feature characters who have triumphed over adversity.

Biggie Patterns With a Purpose

Call #: 48.0101/22916

[Click for more information on this title](#)

Local copies available: 2 of 2. There are no off-site copies of this title. [See all...](#)

ECh, Pri, Int, TEd. 160 Jumbo patterns with standards-based activities for teaching and learning all year long. The teacher handbook has bulletin board, learning game, and classroom management ideas as well as connections to the standards and a handy pattern index. Many cards have tips for including English Language Learners.

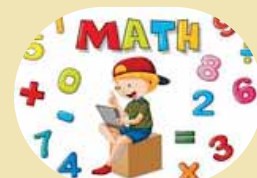

Math Cooperative Learning Cards, Grades 4-6

Call #: 41.0200/22929

Sublocation: Intermediate Math

Local copies available: 2 of 2. There are no off-site copies of this title. [See all...](#)

Int. Designed for small groups to explore math concepts and real-life math problems. Students are required to problem solve, research, discuss, and write as they put the following mathematics strands into practice: Number & Operations, Algebraic Reasoning, Geometry & Measurement, and Data Analysis & Probability.

Want to order?

Here's how...

1. Go to our website.
2. Search the online catalog.
3. Fill out the order form.
4. We will send you the items for free.
5. In five weeks, you send them back with the return label we provided.
FREE!

That's it!

Easy Peasy

PUT THIS ON YOUR CALENDAR!

Did you know the Migrant Education Program offers professional development opportunities to you, free of cost? We offer virtual options as well as two in-person options each year. Although our October opportunity has passed, we would love to see you at our next in-person opportunity on June 11 (9-3:30)! Register today!

MSIF Workshops

Mark your calendars for the third Thursday of each month! At our virtual workshop, we'll explore the latest developments in the Migrant Education Program (MEP) and discuss essential reporting requirements. You'll have the opportunity for Q&A and networking with fellow Migrant Liaisons.

Virtual MSIF Workshops

Third Thursday of the Month
3:15 PM - 3:45 PM

Virtual Making Connections Workshops

(Repeat Sessions)

*Each session is 2 hours

8/7/2024 @ 2 PM ✓

10/02/2024 @ 2 PM ✓

11/19/2024 @ 2 PM ✓

1/22/2025 @ 2 PM ✓

3/12/2025 @ 9 AM ✓

5/14/2025 @ 11:30 AM ✓
